RESPONSE TO EXAMINER'S STATEMENT OF REASONS FOR ALLOWANCE

Commissioner for Patents:

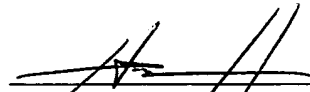

A statement of reasons for allowance was provided on page 2 (second paragraph) of the Notice of Allowability dated July 14, 2006. While the language used in the statement generally parallels the recitations in independent claim 6, it is respectfully submitted herein that claim 6 is allowable based on each and every limitation contained therein, which have not been explicitly recited in the statement. Thus, the scope of claim 6 is not to be limited by the language used in the statement. Moreover, it is noted that the other independent claims also have recitations that are not explicitly set forth in the statement. Such other independent claims are allowable based on each and every limitation contained therein, alternatively or additionally to the reasons set forth in the statement. Additionally, the dependent claims are allowable based on
